### PROGRAM INFORMATION

#### Secondary Math Prep Courses

- 10 math concepts covered in two weeks
- Some days to review key concepts from prior grade
- Some days to introduce key concepts for upcoming grade
  - For example, a student entering grade 10 in September 2023 would take the Grade 10 Math Prep Course to review concepts from Grade 9 and introduce concepts from Grade 10
- The same program will be offered in both July and August

#### Secondary Literacy Prep Course

- The two-week program will address the following skills: reading, writing, and research, test preparation
- Students will explore and use a variety of tech tools
- Preparation and practice for the OSSLT
- The same program will be offered in both July and August

#### Christian Service Hours Opportunities

- Summer is an ideal time for secondary students to begin or continue accumulating the 40 hours of community involvement required for graduation.
- For more information on HWCDSB's Christian Service Volunteer Program and summer volunteering opportunities, visit <https://www.hwcdsbcs.com/>
